## **Family Physiotherapy Centre (FPC) Acquires Regional Physiotherapy Clinic.**

Ottawa, Ontario

Steve Brown PT (FPC President) is pleased to announce that Family Physio has acquired Regional Physiotherapy Clinic (RPC). "This is another step in our journey to ensure that FPC can be accessible to every citizen of Ottawa". This new location will compliment FPC's existing network of Wellness Centres in Ottawa and with a new Wellness Centre scheduled to open in Orleans later this summer, FPC will effectively have Wellness Centres that cover the entire City.

It is important to note that RPC will retain its name and will operate as a subsidiary company of FPC.

Steve Brown would like to publicly thank Anne Prendergast PT and former owner of RPC for being so accommodating and cooperative throughout the purchase process. Anne and her entire staff have agreed to stay on with RPC with Anne being appointed Centre Manager.
