Ottawa, Ontario

ANNOUNCEMENT

Family Physiotherapy Centre is proud to have been selected as the Physiotherapy Company of record at the **Embassy West Senior Living Centre**. In addition to delivering care to the residents of the Home, Family Physiotherapy Centre will also open Ottawa's first ever Rehab Centre dedicated solely to seniors and will be known as Family Physiotherapy Centre's Senior Rehab Centre.

This Centre is the fruit of a strategic partnership with the Embassy West Senior Living Centre and Family Physiotherapy Centre. Patient centric care that focuses on minimizing pain and maximizing mobility are the core values that patients who are treated at the Centre can expect.

This Senior's Rehab Centre is designed to accommodate senior's who are discharged from Hospital and who require additional rehabilitation to regain their mobility freedom. Seniors who require Physiotherapy intervention can also visit the Centre provided that they have been issued a Physiotherapy requisition from their family MD.

The Centre will be equipped with state of the art modalities and equipment that is designed to be user friendly but efficient in assisting our patients to meet or exceed their individual Best Practices treatment plan's outcome measures.
