## **Family Physiotherapy Centre Launches Corporate Training Centre at our Perley Rideau Veterans' Health Centre Wellness Centre!**

Family Physiotherapy Centre is proud to announce that our first Official "Training Program" was launched today.

Our Program Director Carol Leach PT is responsible to deliver the training to newly hired employees in a manner which complements their existing education or practical experience. The Training sessions are also open to existing employees who might require a refresher on certain aspects of their day to day responsibilities.

### **Our Corporate Training Program consists of the following Modules:**

- Falls Prevention education and Elder Care protocols
- Manual Therapies
- Modalities (Tens, heat therapy, ultrasound, laser therapy etc...)
- Licensure and mitigation of risks (Bacterial Control, hygienic procedures etc...)
- Charting and documentation
- Family Physiotherapy Centre Code of Conduct
